

Getting to CU Campus

In order to get to Chulalongkorn University campus, there are several transportation options as follows:

1. BTS Sky Train

The **Siam Station** and **National Stadium Station** are relatively close to the university. Once you arrive at the station, there are University shuttle buses that will take you right to the campus.

2. MRT Subway

The **Sam Yan station** is right next to the university. Just take off through **Exit 2** at the base of the Chamchuri Square, which is one of the university buildings where you can begin your visit. From here, you can then either walk. Board a bus or hire a taxi to go to a specific building or faculty in the university campus.

3. BMTA Public Buses

There are a number of public buses that stop at the university. These can be classified according to four roads surrounding the campus.
